

Ready To Go Home

Ready To Go Home
Hank Williams

E A E
There's comin' a day when the world shall melt away

B7
And Jesus shall come to claim His own

E A E
No more tears, no pain, no woe, in this wicked world below

B7 E
Then will you be ready to go home

A
Will you be ready to go, ready to go home

B7
To live with Him up there around the throne

E A E
When He says come unto Me, will your soul be clean and free

B7 E
Then will you be ready to go home

A E
In this world of greed and hate will you wait til it's too late

B7
To claim the Saviour for your own

E A E
For He's coming someday, to bear your soul away

B7 E
Then will you be ready to go home

A E
As you travel day by day, down life's long highway

B7
Are you on the road that leads to wrong

E A E
If you'll just travel in His light and pray both day and night

B7 E
Then you'll be ready to go home
