

**Heartbreak Express**

Written and recorded by Dolly Parton

C F C  
 Packing my suitcase writing a tearstained goodbye note  
 F G7 C  
 Staying so long to a love gone wrong and that's all she wrote  
 F C F  
 Leaving behind what once was mine with sad re-gr-ets  
 C G7 C  
 But it's all gone now and I'm leaving town on my heartbreak express

F C  
 Walking in the rain with a heart full of pain to the train depot  
 F G7 C  
 The only thing that's gonna keep me warm now is my overcoat  
 F C F  
 Lost and lonely waiting in line at the ticket d-e-sk  
 C G7 C  
 Hey Mr. would you give me a one-way ticket on my heartbreak express

F C  
 I'm gonna roll on down the line  
 D7 G7  
 I'm gonna go so far I'm gonna get it off my mind  
 F C F  
 It hurts to know it ain't enough when you give your b-e-st  
 C G7 C  
 Get a ticket to ride and I'm leaving tonight on my heartbreak express

F C  
 Oh I couldn't hold a candle to the flaming beauty that caught his eye  
 F G7 C  
 It's killing me now but I won't stay around and let him watch me die  
 F C

F  
 Oh it just goes to show that you never do know cause I never would've gue-  
 ssed

C G7 C  
 I'd be sitting here now on a train sorrow bound called the Heartbreak  
 Express

F C  
 I'm gonna roll on down the line  
 D7 G7  
 I'm gonna go so far I'm gonna get it off my mind  
 F C F  
 Maybe someday somewhere someway I will for-get  
 C G7 C  
 But there's no going back so roll on down my track you old heartbreak  
 express

G7 C  
 Feeling alone while a low whistle moans on the heartbreak express
