

Lord Of The Universe
by Donovan

I'm the lord of the universe
It's best you don't mess with me
I'm the lord of the universe
It's best you don't mess with me

I'm above, I'm below
I'm in your little toe
I'm everywhere you happen to go

I'm within, I'm without
The fools often doubt
When they try and run me out

I'm the lord of the universe
It's best if you don't mess around with me

I'm the king, I'm king of the universe, baby
It's best if you don't mess around with me

I'll never live and I'll never die
It's all the same to me
Oh can't you see

I'm the king, I'm king of the universe, baby
It's best if you don't mess with me

Cause I'll stomp on you

I can freeze your seed, I can burn your tree
I'm everywhere you happen to be

I'm in the north, and I'm in the south
I'm in your sweet honey dripping mouth
I'm the lord, I'm the lord of the universe
Lifeforce is my name

Yes I'm the lord, ya I'm the lord
I'm the lord of the universe
It's best you don't mess around with me

You know I love you
To me you're so dear
That's why please, please don't mess around with me
