

Lover O Lover
by Donovan

Reveal the lover hidden extasy
Lady of seven lights administer lights to me
before my temple of penance of to me
I lay my burden down and rest beneath your trees

Lover, oh lover lead me within
Lover, oh lover lead me within
Lover, oh lover lead me within
Lover, oh lover lead me within

Sister of circle your kiss is my bond
With your wand you bit the beast with me be calm
Rise serpeant her eyes from up you'll find tehe lair
Dance for the maiden with the moonlight in her hair

Lover, oh lover lead me within
Lover, oh lover lead me within
Lover, oh lover lead me within
Lover, oh lover lead me within

Lover, oh lover lead me within
Lover, oh lover lead me within
Lover, oh lover lead me within
Lover, oh lover lead me within
