

New Year's Resolution  
by Donovan

Do what you've never done before  
See what you've never seen  
Feel what you've never felt before  
Go where you've never been

Sing what you've never sung before  
Say what you've never said  
Bear what you've never borne before  
Hear what you've never heard

All is not as it would seem  
Nothing ever remains the same  
Change is life's characteristic  
Bend and flow and play the game  
Loose your chain

And do what you like  
Get on your back and do what you like  
Get on your back and do what you like  
Get on your back and do what you like

So many times  
I was the one who stopped myself from doing things  
So many times  
I was the one who grounded myself and clipped my wings  
So I say:

Do what you've never done before  
For fear of losing face  
you've got nothing to defend now  
In your state of grace

All is not as it would seem  
Nothing ever remains the same  
Change is life's characteristic  
Bend and flow and play the game  
Loose your chain

And do what you like  
(What you've never done before)  
Get on your back and do what you like  
(You must see what you have never seen)  
Get on your back and do what you like  
(Feel what you have never felt before)  
Get on your back and do what you like  
(You must go where you have never been)

So many times  
I was the one who stopped myself from doing things  
So many times  
I was the one who grounded myself and clipped my wings, clipped my wings,  
clipped my wings, clipped my wings

Love is the gift of man which he will not receive  
Within is the judge of man yet he cannot perceive  
Without is the realm of man he yet cannot perceive  
Wealth is the plague of man but he will not believe  
There go you go I  
There go you go I  
There go you go I  
There go you go I
