

Sensitive Kind, The
by Donovan

Don't take her for granted
She had a hard time
Don't misunderstand her
Or play with her mind
Treat her so gently
I know you will find
There ain't nothing like
The sensitive kind

Tell her you love her
Each and every night
You will discover
She will treat you right
If you believe
I know you will find
There ain't nothing like
The sensitive kind

The sensitive kind

She gets so lonely
Waiting for you
You are the only
One to see her through
Treat her so gently
I know you will find
There ain't nothing like
The sensitive kind

The sensitive kind

Treat her so gently
I know you will find
There ain't nothing like
The sensitive kind
