

Shipwrecked
by Donovan

We fill our hearts with corralled smiles
Set sail for the happiest isle
On a course, a course of truth
Now the sky don't seem so blue

Shipwreck on the ocean of love
Shipwreck on the ocean of love
Shipwreck on the ocean of love
Sadness bound heartbreaker home

We said our love would weather the storm
We had each other to keep us from harm
And when we sailed through the straits of doubt
He said you cast asylums out

Shipwreck on the ocean of love
Shipwreck on the ocean of love
Shipwreck on the ocean of love
Sadness bound heartbreaker home
Heartbreaker home!

You said that I'd be a Jolly Jactor
Gets spliced go very far
And when we rounded the cape of sighs
You cast me away, love Shanghai

Shipwreck on the ocean of love
Shipwreck on the ocean of love
Shipwreck on the ocean of love
Shipwreck on the ocean of love...
