

St. Valentine's Angel
by Donovan

Oh, angel of all loving,
St. Valentine's angel,
Give my love to everyone.
How I wish it could be
St. Valentine's day forever for you and me.
Oh, how I wish it could be
St. Valentine's day forever for you and me.

Wise men have often said

You know, from the pages of the books I've read
Life's joys and misery
Walk hand in hand and keep each other company.

St. Valentine's angel,
Oh, angel of all loving,
St. Valentine's angel,
Give my love to everyone.
How I wish it could be
St. Valentine's day forever for you and me.
Oh, how I wish it could be
St. Valentine's day forever for you and me, oh, oh.
