

Stealin'
by Donovan

Put your arms around me
Like a circle around the sun
I want you love me mama
Like my easy rider done
You don't believe I love you
Look what a fool I've been
You don't believe I'm sinking
Look what a hole I'm in

I'm stealin', I'm stealin'
Pretty mama don't you tell on me
I'm stealin' back to my
My same old used-to-be

So put your arms around me
Like a circle around the sun
I want you love me mama
Like my easy rider done
You don't believe I love you
Well, look what a fool I've been
You don't believe I'm sinking mama
Well, look what a hole I'm in

I'm stealin', yes, I'm stealin'
Pretty mama don't you tell on me
'Cos I'm stealin' back to my
My same old used-to-be

Okay!
Ooh, mama!

So please, put your arms around me
Like that old circle around the sun
I want you love me mama
Like my easy rider done
You don't believe I love you
Look what a fool I've been
You don't believe I'm sinking mama
Well, look what a hole I'm in!

Stealin', yes, I'm stealin'
Pretty mama don't you tell on me
Yes, I'm stealin' back to my
My same old used-to-be

Pretty mama don't you tell on me
'Cos I'm stealin' back to my
My same old used-to-be
