G C D C
Oh Johnny never looked at that friend.

G C D C
Won't you go to bed with me
G C D C
Won't you take a chance babe with me.
G C D C
Won't you go to bed with me
G C D C
Won't you take a chance babe with me.

Won't you go to bed with me
Won't you take a chance babe with me.
I can see by your eyes you're a sad girl
And the little chain around your neck.
You got to face down a ramblin' sunset,
Oh Johnny never looked at that bad.
Won't you go to bed with me
Won't you take a chance babe with me.
Won't you go to bed with me
Won't you take a chance babe with me.

I can see by your eyes you're a good girl
And the sparkle of the ring on your hand.
You got a friend called ramblin' Trudi,
Oh Johnny never looked at that friend.
Won't you go to bed with me
Won't you take a chance babe with me.
Won't you go home with me
Won't you take a chance babe with me.
