

You Got Me Reeling
by Donovan

Out in the world
Talking to girls
What do I find?
It's only you babe, oh
It's only you babe, oh

Love of my life
Light of my day
Star of my dreams
It's always you babe, oh
It's always you babe, oh

You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me rockin', love, you got me rockin', love
You got me rockin', love

Lately I find
Here in my mind
You and me rhyme
Only for you babe, oh
Only with you babe, oh

Can it be true?
There's nothing to do
It's only for you
Only for you babe, oh
Only with you babe, oh

You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me rockin', love, you got me rockin', love
You got me rockin', love

And when I think of you
And it's so easy to do
I want to know if you
Feel the same way I do
And I want you to
And I want you to

Live with me
And you will see
It's always been
You for me babe, oh
Only for you babe, oh

Love of my life
Light of my day
Star of my dreams
It's always you babe, oh
It's always you babe, oh

You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me rockin', love, you got me rockin', love

You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me rockin', love, you got me rockin', love

You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me reelin', you got me rockin', love
You got me rockin', love, you got me rockin', love
