

I Wish I Had Someone To Love Me 2
Dubliners

A D A D A E A D A D E A

A D A
Oh, I wish I had someone to love me

E
Yes, someone to call me their own

A D A
Oh, I wish I had someone to live with

D E A
Cause I'm tired of living all alone

A D A
Please meet me tonight in the moonlight

E
Please meet me tonight all alone

A D A
For I have a sad story to tell you

D E A
It's a story that's never been told

A D A
I'll be carried to the new jail tomorrow

E
Leaving my poor ol' darling alone

A D A
With the cold prison bars all around me

D E A
And my head on a pillow of stone

A D A
Now, I have a grand ship out on the ocean

E
All mounted with silver and gold

A D A
And before my poor darling would suffer

D E A
That ship would be anchored and sold

A D A
Now, if I had the wings of an angel

E
Over these prison walls I would fly

A D A
And I'd fly to the arms of my poor darling

D E A
And there I'd be willing to die

A D A
Oh, I wish I had someone to love me

E
Yes, someone to call me their own

A D A
Oh, I wish I had someone to live with

D E A
Cause I'm tired of living all alone
