

## I Wish I Was Back In Liverpool

Oh I wish I was back in Liverpool

D C G D  
Liverpool town where I was born

A  
Where there ain't no trees, no scented breeze,

D  
No fields of waving corn

G  
But there's lots of girls with peroxide curls

D G  
And the black and tan flows free

A  
Where there's six in a bed by the old pier head

D C D  
And it's Liverpool town for me
