

Sally Wheatley

Special chord used in this song:

G*: 3 2 0 0 1 3 (G with C on 2nd string)
a alternatively use C

Intro: C-Am-D-G

Now I'm (G)most depressed and sad
Where I (C)once was blithe and (G)glad
I could (C)trip about the (G)town both trim and (D)neatly
I was (G)happy (G*)night and (G)morn'
But from (C)all such joys I'm (G)shorn
Since I (C)fell so deep in (Am)love with Sally (D)Wheat(G)ley

Chorus:

And it's (C)Oh, (Em)dear (D)me, what am (G)I gonna dee
Sally stole away me heart com(D)pletely
And I'll (G)never get it back, for she (C)gans with mister (G)Black
And they (C)say he's going to (Am)marry Sally (D)Wheat(G)ley

Now I (G)never saw such a lass
And I (C)know she likes her (G)glass
She could (C)toss a pot of (G)whiskey over (D)neatly
Now it's (G)right to (G*)take a (G)drop
When you (C)know just when to (G)stop
That was (C)just the very (Am)way with Sally (D)Wheat(G)ley

Repeat Chorus

How I (G)felt I didn't know
The (C)first time I Sally (G)saw
In a (C)threesome reel she (G)hopped about so (D)neatly
Well I (G)might have (G*)had a (G)chance
If I (C)asked her up to (G)dance
But I (C)was over shy to (Am)speak to Sally (D)Wheatl(G)ey

Repeat Chorus

Now he (G)must have made it right
When he (C)took her home that (G)night
'Cause (C)after work, dressed up, he (G)goes to see her (D)nightly
There's great (G)danger (G*)in de(G)lay
Or I (C)wouldn't be sad to(G)day
If I (C)had me heart to (Am)break for Sally (D)Wheat(G)ley

Repeat Chorus twice

...And they (C)say he's going to (Am)marry Sally (D)Wheat(G)ley
