

**Welia Welia Walie**

There was an old woman and she lived in the woods  
Weile, weile, waile;  
There was an old woman and she lived in the woods,  
Down by the river Saile

She had a baby three months old  
Weile, weile, waile  
She had a baby three months old  
Down by the river Saile;

She had a penknife long and sharp,  
Weile, weile, waile  
She had a penknife long and sharp  
Down by the river Saile;

She stuck the penknife in the baby's heart  
Weile, weile, waile  
She stuck the penknife in the baby's heart  
Down by the river Saile;

There where three loud knocks come knockin on the door  
Weile, weile, waile  
Three loud knocks come knockin on the door  
Down by the river Saile;

There where two policemen and a special branchman knocking at the door  
Weile, weile, waile  
Two policemen and a special branchman knocking at the door  
Down by the river Saile;

They put a rope around her neck  
Weile, weile, waile  
They put a rope around her neck  
Down by the river Saile;

They pulled the rope and she was hung  
Weile, weile, waile  
They pulled the rope and she was hung  
Down by the river Saile;

And that was the end of the woman in the woods  
Weile, weile, waile  
And that was the end of the baby too  
Down by the river Saile.
