And she's already home

and one for the road

I cry alone at night
There is no friend in sight
I love getting back at night
But I wish I don't

One for my baby
One for the road
One for my baby
and one for the road

And I'll be all cried up soon
I can't see no God on the moon
It's a long way to go

One for my baby
One for the road
One for my baby
and one for the road

I cry alone at night
He's not alone at night
I'll be there my whole night
But I wish it was whole
