You're holding on and won't let go

Em C
 I've tried running but there's no escape

Em Am7 C D
 Can't bend them, and (I know) I just can't break these...

G	D	Em	C
Steel bars, wrapped all around me			
G	D	Em	C
I've been your prisoner since the day you found me			
G	D	Am	
I'm bound forever, till the end of time			
C			G
Steel bars wrapped around this heart of mine			

Trying hard to recognize
 See the face behind the eyes
 Feel your haunting ways like chains
 'Round my heart they still remain

I'm still running, but there's nowhere to hide
 My love for you has got me locked up inside these...

Steel bars, wrapped all around me
 I've been your prisoner since the day you found me
 I'm bound forever, till the end of time
 Steel bars wrapped around this heart of mine

Bridge2:

Bm
 And with every step I take

Every desperate move I make
 G

It's clear to me

Bm
 What can all my living mean

C
 When time itself is so obscene

Am
 When time itself don't mean a thing

D
 I'm still loving you

[a cappella, choir:]

Steel bars, wrapped all around me
I've been your prisoner since the day you found me
I'm bound forever, till the end of time...
