Capo 4th fret

C G
 To love you still, and have you not
 C F C
 Will destroy me in time
 C G
 So I'm goin' away, where nobody knows me
 C F C
 And get you off my mind

F C
 I've packed my things a dozen times
 G C C7
 But unpack is all I do
 F C
 Yes I'm still in town, I'm still around
 G C
 And still in love with you

Bridge2:

F C
 I made it to the edge of town,
 G C
 But turned around
 F C
 I made it to the bridge downtown
 D7 G
 But my nerve let me down

I try to go, but how can I leave
 When all roads lead to you
 (Yes) I'm still in town, still around
 And still in love with you

I made it to the edge of town,
