

A Hundred Years From Now by Elvis Presley

Well a hundred years from now I won't be crying

A hundred years from now I won't be blue

My heart will have to forget that we ever met

But I won't care a hundred years from now

I'll never forget sweetheart the night you told me
That you could live without my love somehow
That's all in the past I knew it wouldn't last
But I won't care a hundred years from now

Repeat twice
