

A Little Bit Of Green by Elvis Presley

Intro Bm E A

A Now that the truth is hard to face. I can't forget you once
 were mine. Now someone else is in my place. Whenever
 we meet my heart beats out of task.

Refrain- Just a little bit of green. Clouds my eyes to what
 I've seen. Just a little bit of green. When I see you, with
 someone new, and knowing that there's nothing I can do.

Please don't try to tie me down. Those are the words you often
 say. I can't help seeing you around. You smile with surprise, I
 turn my eyes away. (refrain)
