

## And I Love You So by Elvis Presley

Ab Bbm7 Eb Ab  
 And i Love you so, the people ask me how.  
 Fm Bm7 C# Eb  
 How i've lived till now, I tell them I don't know.  
 Ab Bbm7 Eb Ab  
 I guess they understand, how lonely life has been,  
 Fm Bbm7 C# Eb Ab  
 but life began again, the day you took my hand.

Ab Fm Bb  
 And yes I know how lonely life can be.  
 Eb Ab  
 Shadows follow me, the night won't sent me free,  
 Ab Fm Bb  
 but I don't let the evening get me down,  
 Eb Ab  
 now you're around me.

Ab Bbm7 Eb Ab  
 And you love me too. Your thoughts are just for me.  
 Fm Bbm7 C# Eb  
 You set my spirit free, I'm happy that you do.  
 Ab Bbm7 Eb Ab  
 The look at life is brief, once the page is read.  
 Fm Bbm7 C# Eb Ab  
 All but love is dead, this is my believe.
