Well Baby baby baby baby
Baby baby baby baby

A

E

Baby (just keep saying baby)

B7

come back baby I wanna play house with you

E

Well you may go to college

You may go to school

(pause)

You may have a pink cadillac

A

but don't you be nobody's fool

E

Baby baby come back baby come back

B7

Come back baby I wanna play house with you

Here i'm gonna tell you

What I'm talking about

come on back to me little girl

so we can play some house

Baby baby come back baby come back

Come back baby I wanna play house with you

(SOLO)

Well this is one thing baby

That I want you to know

Come on back so we can play some house

and we can act like we did before

Baby baby come back baby come back

Come back baby I wanna play house with you

(SOLO)

Well listen to me baby

Try to understand

I'd rather see you dead little girl

Than to be with another man

Baby baby come back baby come back

Come back baby I wanna play house with you
