

BOSOM OF ABRAHAM - ELVIS PRESLEY

(Words and music by Johnson - McFadden - Brooks - Presley)

Well you rock my soul  
Down in the bosom of Abraham  
Rock, rock, rock down in the bosom of Abraham  
He rocks my soul down in the bosom of Abraham

Well a rich man lives, He lives so well  
Children, when he dies on a lonely hill  
Why don't you rock my soul in the bosom of Abraham
