

Crying In The Chapel
Written by: Artie Glenn

You saw me crying in the chapel,
the tears I shed were tears of joy;

I know the meaning of contentment,

now I am happy with the Lord.

Just a plain and simple chapel,
C
where humble people go to pray;
D7
I pray the Lord that I'll grow stronger,

as I live from day to day.

I've searched and I've searched but I couldn't find

no way on earth to gain peace of mind.

Now I'm happy in the chapel,

were people are of one accord;

We gather in the chapel,

just to sing and praise the Lord.

Every sinner looks for something,
that will put his heart at ease;
There is only one true answer,
he must get down on his knees.
Meet your neighbor in the chapel,
join with him in tears of joy;
You'll know the meaning of contentment,
then you'll be happy with the Lord.
You'll search and you'll search,
but you'll never find;
no way on earth to gain peace of mind.
Take your troubles to the chapel,
get down on your knees and pray;
Your burdens will be lighter,
and you'll surely find the way.
