

DONCHA' THINK IT'S TIME - ELVIS PRESLEY  
(Words and music by Otis - Dixon)

I've been yearning for a little romance  
I wanna know when you gonna give me a chance  
Kiss me honey, tell me your mine  
Doncha' think it's time

I've been yearning for a sweet embrace  
Rubba my hair till I'm a total disgrace  
Kiss me honey make my life divine  
Doncha' think it's time

I don't wanna walk without you  
Walkin' right by my side  
It hurts me to see you talkin'  
With any other guy.

I get so warm when you touch my cheek  
You thrill me so much that I can hardly speak  
Love me honey tell me you're mine  
Doncha' think it's time

I don't wanna walk without you  
Walkin' right by my side  
It hurts me to see you talkin'  
With any other guy.

I get so warm when you touch my cheek  
You thrill me so much that I can hardly speak  
Love me honey tell me you're mine  
Doncha' think it's time  
Doncha' think it's time  
Doncha' think it's time  
Doncha' think it's time
