

Dont Leave Me Now by Elvis Presley

Don't leave me [C]now, now [C7]that I [F]need you.
How blue and [G7] lonely I'd be, if you should say [G7+]we're
[C]through.[C#dim7]
[G7]Don't break my [C]heart, this [C7]heart that [F]loves you.
There'd just be [G7]nothing for me, if you should leave me [C]now.[F7][C]
[C]What good is [F]dreaming, if I must dream all a[C]lone [F7]by my[C]self.
Without you [D7]darlin', my dreams would just gather [G7]dust like a book on
a shelf.
Come fill these [C]arms, that [C7]long to [F]hold you.
Don't close your [G7]eyes to my plea, oh don't you leave me [C]now.[F7][C]
