

EARTH BOY - ELVIS PRESLEY  
(Words and music by Tepper - Bennett)

Earth boy dream of angel  
Angel she be sweet and make him have happy heart  
In land of love  
Angel dream of earth boy, earth boy who'll be true  
And love her till sun grow cold in land of love

Angel walk on street  
Earth boy walking too  
All at once they meet  
Oo-oo-oo dreams come true  
Now that's part of story  
Like two doves in land of love we will always be  
Happy angel is you  
Happy earth boy is me

Angel walk on street  
Earth boy walking too  
All at once they meet  
Oo-oo-oo dreams come true  
Now that's part of story  
Like two doves in land of love we will always be  
Happy angel is you  
Happy earth boy is me

Earth boy dream of angel  
Angel dream of earth boy  
Earth boy dream of angel  
Angel dream of earth boy  
Earth boy dream of angel
