

Harbour Lights by Elvis Presley

I saw the harbour lights
They only told me we were parting
The same old harbour lights
That once brought you to me

I watched the harbour lights
How could I help if tears were starting
Goodbye to golden nights
Beside the silvery sea

I longed to hold you near
And kiss you just once more
But you were on the ship
And I was on the shore

Now I know lonely nights
For all the while my heart keeps breaking
And someday harbour lights
Will bring you back to me

End
