

Hawaiian Sunset by Elvis Presley

INTRO: F# B F#

B F# B F#
 Hawaiian sunset peeping from the sea

B C# F# B F#
 Smiles and says Aloha, to his sweetheart Hawaii

B F# B F#
 The drowsy islands slumber one by one

F# B C# F# B F#
 Close their sleepy eyelids, say goodnight to the sun

B F#
 Then Hawaii like millions of times before

G# C#
 Blossoms in her lover's arms once more

B F# B F#
 Too soon the sunrise will wake her from her sleep

F# B C# F# B F#
 So until tomorrow, sleep Hawaii sleep.

 Then Hawaii like millions of times before

G# C#
 Blossoms in her lover's arms once more

B F# B F#
 Too soon the sunrise will wake her from her sleep

F# B C# F# B F#
 So until tomorrow, sleep Hawaii sleep.

 So until tomorrow, sleep Hawaii sleep.
