

I'VE GOT A THING ABOUT YOU BABY - ELVIS PRESLEY
(Words and music by Tony Joe White)

I've got something to tell you
That I think you ought to know
That my eyes are on you baby
Since a long time ago
And now I fin'ly got the nerve
And I'm gonna make my move
Now don't you try to turn me off
Cause it's gonna be hard to do

Ain't No Two Ways About It Baby
Your Love Was Meant For Me
Know That I Can't Do Without It
It Fits Me To A Tee
Oh There's Something About You Baby
Can't Get You Off My Mind
I Know That I Can't Live Without You
I Think About You All The Time

I've got a thing about you baby
Ain't nothing I can do
I've got a thing about you baby
A thing about lovin' you

Ain't it just like a woman
When she knows she's got a man
She'll wring you out and turn you 'bout
In the palm of her hand
And then she starts to thinkin'
Then maybe she's put you in a blind
She'll give you just a little lovin'
It'll drive you out of your mind

I've got a thing about you baby
Ain't nothing you can do
I've got a thing about you baby
A thing about lovin' you
