

I Beg Of You 1 by Elvis Presley

I don't [C]want my heart to be broken, 'cause it's the only one I've [C7]got.

So, [F7]darling please be careful, you [C]know I care a lot.

Darling, [G7]please don't break my [F7]heart, I beg of [C]you.

I don't [C]want no tears a-falling, you know I hate to [C7]cry.

But [C]that's what's bound to happen, if you [C]ever say goodbye.

Darling, [G7]please don't say good[F7]bye, I beg of [C]you.[C7]

[F7]Hold my hand and promise that you'll [C]always love me true.

[F7]Make me know you'll love me the [D7]same way I love you little girl.

[G7sus4]You[C]got me at your mercy, now that I'm in love with [C7]you,

So [F7]please don't take advantage, 'cause you [C]know my love is true,

My darling, [G7]please please love me [F7]too, I beg of [C]you.
