

I CAN'T HELP FALLING IN LOVE WITH YOU - ELVIS PRESLEY

Wise men said, "Only fools rush in"
But I can't help falling in love with you

Shall I stay?
Would it be a sin
If I can't help falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with you

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be

Take my hand
Take my whole life, too
For I can't help falling in love with you

For I can't help falling in love with you
