

I CAN HELP - ELVIS PRESLEY
(Words and music by Billy Swan)

If you've got a problem, I don't care what it is
If you need a hand, I can assure you this
I can help, I've got two strong arms, and I can help
It would sure do me good to do you good,
Let me help

It's a fact that people get lonely, it ain't nothing new
But a woman like you baby, should never have the blues
Let me help, have a laugh on me, I can help
It would sure do me good to do you good
Let me help

When I go to sleep at night, you're always a part of my dreams
Holding me tight and telling me everything I want to hear
So don't forget me baby, all you gotta do is call
You know how I feel about you, I can do anything at all
Let me help If your child needs a daddy, I can help
It would sure do me good to do you good,
Let me help

Solo!

When I go to sleep at night, you're always a part of my dreams
Holding me tight, telling me everything I want to hear
So don't forget me baby, all you gotta do is call
You know how I feel about you, I can do anything at all
Let me help If your child needs a daddy, let me help
It would sure do me good to do you good,
Let me help

Solo!

When I go to sleep at night, you're always a part of my dreams
Holding me tight, telling me everything I want to hear
So don't forget me baby, all you gotta do is call
You know how I feel about you, I can do anything at all
Let me help If your child needs a daddy, I can help
It would sure do me good to do you good,
Let me help

Solo!

I can help
If your child needs a daddy, Good God, you know I can help
