

I Got Lucky by Elvis Presley

C Em F Dm
 Never found a four leaf clover to bring good luck to me
 C Em F G7
 No rabbit's foot no lucky star no magic wishing tree
 C Am F Dm G7
 But I got lucky yes I got lucky when I found you oh yeah

C F G7
 Got no rainbow around my shoulder no horseshoe on my door
 C F G7
 But I got you to hold me tight and who could ask for more
 C Am F G7 C
 Oh I got lucky yes I got lucky when I found you
 F G7 F C
 I always walk around with all my fingers crossed
 F E7 Am D7 G7
 I'm afraid the love I found just might get lost

C F G7
 So won't you tell me that you love me hurry up and name the day
 C F G7
 And then I'll know that my good luck is really here to stay
