

I Want You, I Need You, I Love You

Intro: Dm G7 C G#m G

Hold me <sup>C</sup> close, hold me <sup>Am</sup> tight, make me <sup>Dm</sup> thrill with <sup>G7</sup> delight

Let me know where I stand from the start

I want you, I need you, I love you

With all my heart

Every time that you're near, all my cares disappear

Darling you're all that I'm living for

I want you, I need you, I love you

More and more

Chorus:

I thought I could live without romance

U-u-until you came to me

But now I know, that I will go on

Loving you eternally

Won't you please by my own, never leave me alone

Cause I die every time we're apart

I want you, I need you, I love you

With all my heart

REPEAT CHORUS

Won't you please by my own, never leave me alone

Cause I die every time we're apart

I want you, I need you, I love you

With all my heart
