 If I get home on Christmas day

 I won't need soft words to say  
 C Em Am  
 I'll miss you and I can stay a while  
 F G7  
 You'll see it in my eyes and when I smile

C Em F G7  
 If I get home before midnight  
 C Em F G7  
 While you're still sleeping tight  
 C Em Am  
 I'll take you in my arms and there you'll stay

 Writing letters everyday  
 Am  
 Never really seem to say  
 F G7 C  
 The way I feel deep in this heart of mine

 Though I'm half a world away  
 Am  
 If we're patient and we pray  
 F G7  
 Know I'll get my chance with you this time
