E B E
Well, you're right, I'm left, she's gone.

B E
You're right, and I'm left all alone.

A
Well, you tried to tell me so,

E B
but how was I to know, that she was not

E
the one for me?

#2.

E B E B
You told me all along..you're right, our love

E
was so wrong.

A E
But now I changed my mind, because she broke

the ties that bind..

B E
and I know that she never cared for me.

CHORUS:

A
Well, I thought I knew just what she'd do,

E
I guess I'm not so smart.

A E
Oh, you tried to tell me along, she'd only

B
break my heart.

#3.

E B E
I'm left, you're right, she's gone.

B E
You're right, and I'm left all alone.

A
Well, she's gone I know not where,

E
but now I just don't care..

B E
for now I'm falling for you.

#4.

E B E B E
If you'll forgive me now, I'll make it up somehow.

A E
So happy we will be, in a home just for three.

B E
And I'll soon forget her, now I know.

CHORUS:

A
Well, I thought I knew just what she'd do,

E
I guess I'm not so smart.

A E
Oh, you tried to tell me along, she'd only

B
break my heart.
