                                  Dm Dm/C G
                        Dm
    Our friends all ask me
G
    The last time I saw you
                                    Dm Dm/C G
C
                        Dm
    And I smile and tell them
G
                            C
                                     Е
    It's been a day or two
                 C7/G
Am
                           F
   There's no way to explain it
G
   The way that I miss you
Α
   And my love, you have left me
G
   Indescribably blue
C
                                Dm Dm/C G
                       Dm
    I talk to your picture
G
    My fav'rite one of you
C
                                               Dm Dm/C G
                                    Dm
    I wish that you were here with me
G
    But what good will it do
Αm
                    C7/G
   There'd be no way to tell you
G
   The pain that Ive been through
Α
   Oh, my love, you have left me
G
   Indescribably blue
             C7/G
Am
   Yes, my love, you have left me
