

## Its Still Here by Elvis Presley

C C  
 The day you said we'd never part  
 F Fm  
 You turned around and broke my heart  
 C  
 You had the nerve to tell me  
 G  
 I would soon forget

(The Same Chords)...

Now you've been gone away one year  
 And I have not forgotten dear  
 The love I had for you so long  
 Is still here  
 Wow-oh

F C C/G C  
 It's here, still here  
 C  
 Because my heart cannot believe  
 G  
 We're really through  
 C  
 And though you said we'd never part  
 F Fm  
 You turned around and broke my heart  
 C G  
 The love I had for you so long  
 C G,C  
 Is still here

...  
 The day you said we'd never part  
 You turned around and broke my heart  
 You had the nerve to tell me  
 I would soon forget  
 Now you've been gone away one year  
 And I have not forgotten dear  
 The love I had for you so long  
 Is still here  
 Wow-oh

...  
 It's here, still here  
 Because my heart cannot believe  
 We're really through  
 And though you said we'd never part  
 You turned around and broke my heart  
 The love I had for you so long  
 Is still here

It's here, still here  
 Because my heart cannot believe  
 We're really through  
 Now you've been gone away one year  
 And I have not forgotten dear  
 The love I had for you so long
