

JUDY - ELVIS PRESLEY
(Words and music by Redell)

They say, you found somebody new,
Whose love will always be true,
I don't know what it is to be alone,
That's why I dread to know you're gone.

Oh, Judy, don't let our sweet love
Wither and die like flowers in the fall,
Oh Judy, don't you know it's you
I love most of all,
Oh, please, come back I promise always to be true,
Oh Judy, there'll never be anyone else, here but you.

INTERLUDE

Oh, please, come back I promise always to be true,
Oh Judy, there'll never be anyone else, here but you.

(Repeat last two lines and fade)
