

LOVE SONG OF THE YEAR - ELVIS PRESLEY  
(Words and music by Christian)

I used to laugh when I should cry  
I used to let these feelings pass me by  
But now that I believe them  
I got no-one to leave them to me  
You see I traded love for what I thought must be free

So I confess my loneliness  
And I guess I've lost the best of the year  
That I let love slipped through my fingers like a golden breath of air  
If I cared I wouldn't be singing this love song of the year

I know the time cannot erase the days  
Love is past and I've gone away  
From now on I'll make it very clear  
Cos' I don't want to write  
Another love song of the year

It's a lonely song and not too clear  
But to me it's very dear  
I guess this song can only be  
My feelings went out in the sea of love  
To me this has got to be the love song of the year

I know the time cannot erase the days  
Love is past and I've gone away  
From now on I'll make it very clear  
Cos' I don't want to write  
Another love song of the year

I used to laugh I used to cry  
I used to laugh, these feelings passed me by  
From now on I'll make it very clear cos' I don't want to write  
Another love song of the year
