

## Paralyzed 1 by Elvis Presley

C  
 When you looked into my eyes  
   F  
 I stood there like I was hyp-notised  
 C  
 You sent a feeling to my spine  
 G7  
 A feeling warm and smooth and fine  
           C  G7          C  
 But all I could do were stand there paralyzed  
  
 When we kissed, ooh what a thrill  
 You took my hand and, ooh baby, what a chill  
 I felt like grabbin' you real tight  
 Squeeze and squeeze with all my might  
 But all I could do were stand there paralyzed c7  
           F  C  
 Oh yeah lucky me, Im singing ev'ry day  
 F  C  
 Ever since that day you came my way  
 F  G7          F  
 You made my life for me just one big happy game  
 G7  
 I'm gay ev'ry morning  
           C          hold  
 At night Im still the same  
  
 Do you remember that wonderful time  
 You held my hand and swore that you'll be mine  
 In front of preacher you said  
 "I do" I couldn't say a word for thinking of you  
 All I could do was stand there paralyzed
