

Return To Sender 1 by Elvis Presley

Tuning: EADGBE (normal tuning)

There's a saxophone at the start of song and at various points during the song.

I have arranged here my version of the sax for guitar that kicks off the song, its played on the big E string. I haven't tabbed the other saxophone bits but

they'd be something similar to the intro sax.

Intro sax: E|---4---6---8---6---4---2---|

With the chords they are simple open chords with the B7:021202, where there is

N.C.(No Chords) the last chord before that should have been strummed once and

let ring while the following line is sung.

A B7 A B7
Return to sender, Return to sender.
E A E B7 E
I gave my letter to the postman, he put it in his sack. Bright and early
A B7 A E N.C.
next morning, he gave my letter back (She wrote upon it).
A B7 A B7 A B7 A B7 A
Return to sender. Address unknown. No such number, no such zone. We had a
B7 A B7 A B7
quarrel. A lovers spat. I write Im sorry but my letter keeps coming back.

I haven't written the rest of the words but the song follows this same chord pattern. It shouldn't be too hard to find the lyrics if you are wanting to know them. I think there is a different bit it goes:

A E A
This time i'm gonna take it myself and put it right in her hand. And if it
E,N.C. E
comes back the very next day, then i'll understand (The writing on it).
