

TAKE ME TO THE FAIR - ELVIS PRESLEY
(Words and music by Sid Tepper - Roy C. Bennett)

Take me to the fair
Take me to the fair, don't know anywhere
I would rather be

Let's, go to the fair
We'll walk hand in hand, through Tomorrow Land
Only you and me

*chorus
I wanna see everything, do everything
While we're doin' it all
I'll buy the peanuts and popcorn
We'll have us a ball

You can spend my pay
Crush me in the crowds, I'll be in the clouds
Honey I don't care

Take me there by sleigh
Go, let's get a bite, anywhere you like
But take me to the fair

I wanna see everything, do everything
While we're doin' it all
I'll buy the peanuts and popcorn
We'll have us a ball

You can spend my pay
Crush me in the crowds, I'll be in the clouds
Honey I don't care

Take me there by sleigh
Roller skate or bike, anywhere you like
But take me to the fair

Take me to the fair, Take me to the fair
Take me to the fair
