

THAT'S SOMEONE YOU NEVER FORGET - ELVIS PRESLEY
(Words and music: Red West / Elvis Presley)

The way she held your hand,
The little things you planned,
Her memory is with you yet,
Thats someone you never forget.

When she is far away
Youll think of her each day,
And you know shell wait for you,
Thats someone youll never forget.

Others may pass your way
And let you think their love is true,
But you know that theyll never replace
The one that waits for you.

The way she held your hand,
The little things you planned,
Her memory is with you yet,
Thats someone youll never forget.
Thats someone youll never forget.
