

Theres A Honky Tonk Angel by Elvis Presley

D E A
When was the last time you kissed me

D E A

D E A
So tell me if you think it's over

B B7 E
and I'll leave it up to you how it ends

D E A
And if there's someone who wants the love you can give him

D A E A
Well there's a honky tonk angel who'll take me back in

D A E A

D E A
We've been livin' a lie for so long now

D E A
how much more do you think we can stand

D E A
There's an old friend out there and she's waiting

D E A
Lord she's happy just holding my hand

D E A
So tell me if you think it's over

B B7 E
and I'll leave it up to you how it ends

D E A
And if he still wants the love you can give him

D A E A
Well there's a honky tonk angel who'll take me back in

D A E AD
Yeah there's a honky tonk angel who'll take me back in
