

TONIGHT IS SO RIGHT FOR LOVE - ELVIS PRESLEY

Hold me tight
The moon is so bright
Tonight is so right for love

Now's the time
to say you'll be mine
Tonight is so right for love

One by one the stars appear
They twinkle in your eyes
Whod believe that wed be here
So near to paradise

This could be the kiss
TO UNLOCK HEAVEN'S DOOR
That magic hour of bliss
That we both waited for
I love you more and more

Oh, hopin' we could fly
right up to the sky
To things weve been dreaming of
And how real they would seem
A midsummernight's dream
Cant you see that tonights so right for love

And how real they would seem
A midsummernights dream
Cant you see that tonights so right for love

Hold me tight
The moons so bright
Tonight's so right for love
