

Viva Las Vegas by Elvis Presley

G
Bright light city gonna set my soul

Gonna set my soul on fire

Got a whole lot of money that's ready to burn,

So get those stakes up higher

Em
There's a thousand pretty women waitin' out there

And they're all livin' devil may care

And I'm just the devil with love to spare

Viva Las Vegas, Viva Las Vegas

G
How I wish that there were more

Than the twenty-four hours in the day

'Cause even if there were forty more

I wouldn't sleep a minute away

Em
Oh, there's black jack and poker and the roulette wheel

A fortune won and lost on every deal

All you need's a strong heart and a nerve of steel

C G C G
Viva Las Vegas, Viva Las Vegas

C
Viva Las Vegas with you neon flashin'

And your one armbandits crashin'

G
All those hopes down the drain

Viva Las Vegas turnin' day into nighttime

Turnin' night into daytime

A
If you see it once

D
You'll never be the same again

G
I'm gonna keep on the run

I'm gonna have me some fun

If it costs me my very last dime

If I wind up broke up well

I'll always remember that I had a swingin' time

Em
I'm gonna give it everything I've got

Lady luck please let the dice stay hot

Let me shoot a seven with every shot
