

Here There And Everywhere

written by: John Lennon, Paul McCartney

Bb Cm7 Dm Eb Bb Cm7
 Here making each day of the year
 Dm7 Eb Am7 D7
 Changing my life with one wave of his hand
 Am7 D7 Gm Cm Cm7 F7
 Nobody can deny that there's something there
 Bb Cm7 Dm Eb Bb Cm7
 There running my hands thru his hair
 Dm7 Eb Am7 D7 Am7 D7
 Both of us thinking how good it can be someone is speaking
 Gm Cm Cm7 F7
 But he doesn't know she's there
 Ab7 Db Bbm Ebm F7 Bbm
 I want him everywhere and if he's beside me I know I need never care
 Ebm7 F7
 But to love him is to meet him
 Bb Cm7 Dm Eb Bb Cm7
 Everywhere knowing that love is to share
 Dm7 Eb Am7 D7 Am7 D7 Gm
 Each one believing that love never dies watching his eyes and hoping
 Cm Cm7 F7
 I'm always there
 Bb Cm Dm Eb Bb Cm7 Dm Eb Bb
 To be here and everywhere here there and everywherre
