

Close Thy Heart No More

Words: Fanny Crosby, 1892. Music: John Sweney.

Weary child, thy sin forsaking,  
Close thy heart no more;  
From thy dream of pleasure waking,  
Open wide the door.

Refrain

While the lamp of life is burning,  
And the heart of God is yearning,  
To His loving arms returning,  
Give thy wand'ring o'er.

To the Savior's tender pleading,  
Close thy heart no more;  
Now the call of mercy heeding  
Open wide the door.

Refrain

To the Gospel invitation  
Close thy heart no more;  
To receive a full salvation  
Open wide the door.

Refrain

To the joy that fadeth never  
Close thy heart no more;  
To the peace abiding ever  
Open wide the door.
